A weekend is worth a thousand words, unless it leaves you speechless. Cub Scouts lets you adventure together, spend time as a family, and see your kid hold the biggest bass they've ever caught – even if it's the only bass they've ever caught.

- ➔ **Character building and development** centered around good morals and values
- ➔ The chance to **learn life skills** that help Scouts be successful adults and contributing members of society
- ➔ **Exciting outdoor experiences** youth love like hiking, camping, mountain biking, and more

The Cub Scouting Program

The Cub Scouting program is a year-around program that boys and girls can join at anytime. It's flexible enough to work with other programs that youth may also be involved in.

Lions (Kindergarteners)

Kindergarteners and their parents work together in activities that are age-appropriate and fun.

Bobcat

First-time Scouts, before advancement.

Tiger (1st Grade)

Youth and parents work one on one with other families to prepare Scout for Cub Scouting.

Wolf (2nd Grade)

Learn new hobbies and teach skills that will be useful during Scouting years.

Bear (3rd Grade)

Scouts meet regularly in small groups to work on projects. Uniforms, badges, games, sports, fun!

Webelos Scouting (4th & 5th Grades)

Scouts prepare to join a Boy Scout troop while learning outdoors skills and participating in many adventures.
