A youth development nonprofit organization helping students become better versions of themselves.

To the Parents and Students of South Amboy,

Pathways to Success Inc. is a registered nonprofit organization under Internal Revenue Code (IRC) Section 501(c)(3) as a public charity. All donations to our organization are tax deductible under IRC Section 170. Pathways is qualified to receive tax deductible bequests, devises, transfers or gifts under Section 2055, 2106, or 2522. Our Employer Identification Number is 85-0902340.

At Pathways to Success, we seek to help students become better versions of themselves through a variety of programs. Our mission is to provide exposure for students of all ages (grades k-12) to events and activities outside their classrooms. We aim to create long-lasting experiences through applying a Positive Youth Development (PYD) approach. Our programs intend to aid in increasing students' strengths and abilities thus decreasing the possibilities of engagement in risky behaviors. Students will have greater chances in becoming better version of themselves and begin their journey to finding their purpose.

While we have already been exposing students to events such as coding through Microsoft, a variety of workshops, community service opportunities, and so much more we still have a lot to accomplish. We are currently preparing to start our popular Youth Bike Club again. In this club we will teach students about bike safety while providing the opportunity to ride with their peers and make new friendships. If students want to learn to ride a bike, we can help them as well by using a buddy assignment.

We need your support for our organization. While we are always accepting all types of donations to support our cause, we are only asking you to please share this information with friends and family. We are asking you to motivate your children to join our programs. Most of our programs are FREE for the students; all they must do is fill out the registration forms found on our Instagram page at:
