

A cartoon illustration of a young girl with long dark hair and glasses, sitting cross-legged and reading an open red book. She is wearing a pink shirt and green pants. Around her are various educational icons floating in the air, including musical notes, a rainbow, stars, a lightbulb, a rocket, a basketball, a magnifying glass, a pencil, a ruler, a palette, a flask, an apple, and mathematical equations like $1+1=2$ and $5 \times 2 = 10$. There are also several books stacked on the floor next to her. The background is a soft purple gradient. On the right side, there is large white text that reads "To th" and "SCHO".

Masks

- Kids are doing great wearing masks!
- Everyone who enters our building is required to wear a mask
- Please pack an extra mask or two for your child, we are finding that the disposable masks are breaking quite easily. Keep them in a bag with your child's name on it.
- If we ask you to get your child a Covid test, ***we are requesting that it be a PCR test***

Fire and Security Drills

• We conduct the following drills

→ Fire

→ Evacuation

→ Lockdown

→ Shelter-in-place
